Holiday Gift-Giving Planner

Make your holiday shopping a little easier. Use this worksheet to plan out your purchases ahead of time, so that you can stay within your budget.

This year, I plan to spend no more than $_____ on gifts.

Before Shopping			After Shopping:		
Name	Gift Idea(s)	How much will you spend?	Where is the gift stashed?	Does it need to be wrapped? By when?	Does it need to be mailed? By when?
